WHAT IS MILK THISTLE?

KEVA

Milk thistle (silymarin) is a flowering herb related to the daisy and ragweed family

What Is Milk Thistle Used For?

KEVA

- **Supports healthy liver & gallbladder function**
- **Enhances natural cleansing of toxins**

- **Aids good digestion**
- **Produces smooth muscle relaxation**

KEVA

Keva Milk Thistle Drops

IT CONTAINS

Milk thistle
Cynara scolymus (Artichoke)
Taraxacum officinalis
(Dandelion)
Ginkgo biloba

MILK THISTLE

Maintains liver health by protecting it from the effects of toxins such as alcohol, a polluted environment or workplace, and a host of liver related diseases

Also acts as an antioxidant and helps to stabilize liver cell membranes

CYNARA SCOLYMUS (ARTICHOKE)

**Contains cynarin
(antioxidant)
and silymarin,
which are very
beneficial to the
liver**

**They are a natural
diuretic, they aid
digestion, improve
gallbladder
function**

**Reduces
cholesterol by
inhibiting HMG-
CoA reductase.
They raise good
cholesterol
(HDL) and lower
bad cholesterol
(LDL)**

TARAXACUM OFFICINALIS (DANDELION)

Acts as a mild laxative that promotes digestion, stimulates appetite, and balances the natural and beneficial bacteria in the intestines

Rich in antioxidants that prevents free-radical damage to cells and DNA, slowing down the aging process and strengthens the heart muscles and blood vessels

GINKGO BILOBA

Improves blood circulation, which helps the brain, eyes, ears, and legs function better

It may slow down Alzheimer's disease by interfering with changes in the brain that interferes with thinking

How it works????

Stabilizes the cell membrane and stimulates protein synthesis while accelerating the process of regeneration in damaged liver tissue

Antioxidant properties protect the body from damage caused by free radicals and lipid peroxidation, which can injure healthy cells and tissues

Other Benefits

**Can prevent from
environmental
sensitivities and toxins**

**May also
prevent from
alcoholic
cirrhosis**

**Can also help with
intestinal or
indigestion issues**

**Can help in
acute viral and
chronic active
hepatitis**

**Can help in
detoxification
of body**

**Contains
numerous
anti-aging
properties**

**Can reduce cell
damage caused by
radiation and
chemotherapy
treatments**

**Can lower
cholesterol
levels**

**May also reduce
hot flashes and
other related
menopausal
symptoms**
