About Keva Anti Pollution Drops (KAPD):

Keva Anti Pollution Drops (KAPD) is a vitalizer, rich in antioxidants & renowned for its restorative powers which is a highly concentrated & a natural extract of different herbs that have been traditionally employed in hundreds of different formulations for over 5000 years for the treatment of a wide range of disorders. It is a kind of "Elixir of Life" as it promotes longevity.

Antioxidants are an important part of maintaining a healthy diet and lifestyle and KAPD may be a safe and effective source of these potent, life-giving compounds. It is a great body balancer having extremely powerful antioxidant properties that helps regulate body functions containing the most 'Exotic Japanese Herbs' for a prognosticating advancement in health

Need & Importance of KAPD:

KAPD is a premier adaptogen, helping the body and mind to adapt and cope with a wide range of physical, emotional and infectious stresses and restore disturbed physiological and psychological functions to a normal healthy state.

KAPD is known to treat coughs, colds, flu, fever & allergies etc. as it is an excellent source of Energy, Protein, Carbohydrates, Dietary Fiber & a good source of Niacin, Pantothenic acid, Pyridoxine, Riboflavin & Vitamin E. In addition, KAPD is a good source of Thiamin, Vitamin A & Vitamin K.

It is a natural extract obtained from Surballari (O.tenuifloram), Myristica fragrans, Citrus Aurantifolia, A.F.I., Cyprus rotundas, and Aloe Barbadensis. These sources altogether drawn from Japan contain Anti cold, cough, fever, Anti bacterial, Anti microbial, Anti infective & Immuno modulator properties required for the well being of an individual. KAPD offers the best solution for combating the effects faced by pollution in air & water by properly cleansing the body & making it balance in perfect.

How KAPD works:

The human body is always trying to maintain equilibrium at the cellular and organic level to remain in an optimum state of health and well-being. KAPD helps the human body regain this equilibrium by providing support to the immune and other systems.

Herbalists believe that people can build their good health with the help of natural sources. KAPD shall not be considered as any medicine as it is complete, all 100% natural and pure, as nature intends. When KAPD is taken, the body starts to get cleansed. It gets purifying itself. Because of the cleansing ability of KAPD, the body frequently begins to eliminate toxic wastes. Unlike chemically synthesized, highly concentrated drugs that may produce many side effects, KAPD can effectively realign the body's defenses as it offers a way to put the body in proper tune with the nature & maintain a proper balance.

Brief History:

The use of herbs for medicinal purposes is as old as our civilization. In the written record, the study of herbs dates back over 5000 years back. Herbs have been used for uncounted times for various purposes like healing the sick and infirm since these have excellent anti-viral, anti-bacterial, anti-fungal & anti-helminthic properties. Many scientific studies are still being continued in this field throughout the world. KAPD contains a highly concentrated & natural extract of these ancient Japanese herbs with fantabulous properties.

How to use KAPD:

Take 5 drops of KAPD twice daily with tea, coffee, milk, room temperature water or as directed by health care professional.

'Natural Health' is people living life the way they want it to be & KAPD assures a 'Natural Health'
